I am hearty thanks to the team of Grand Heritage Vacations for booking such very nice place, and give us best and memorable holidays..

Our holiday experience in Fort Chanwa luni is Really Very Enjoyable, We stay in Fort Chanwa luni in this Sep 2012 For 3 nights, The room is really clean and big Size, They gives us the best services like food, hospitality, house keeping, evening prog etc..

we Loved it! This place is really out of the way, with not much around it, but it's worth the escape. our room has a view of the courtyard side. The fort isn't huge but fun to explore - lots of spots (we enjoy pool game and i never forget in my life, memorable...!!!) and nooks to sit and read and enjoy in the various gardens, on the rooftop with the green parrots, or by the pool. The food was pretty good and tasty. Staff

is very very.... helpful and friendly.

It is well maintained and well managed heritage resort staff is very co-operative and humble they value there Member and its really a value for money it is peaceful place where you can enjoy peace.

We stayed in many so called 5* hotels in India but Fort Chanwa luni was the one we enjoyed the best. We arrived in a village and suddenly the doors to a 'Havali' opened up to reveal the hotel! Immediately the hotel staff were there to take care of us - I know this happens everywhere We also wandered out to the village one evening with one of the hotel staff as our guide - provided by the hotel.It was the best experience,We really do recommend Fort Chanwa Luni for stay that you will never forget....!!! We will go back again and spend longer than 3 nights there. Thank you to all the staff for making our stay so enjoyable and memorable.
